## Young people's ministry for Year 7 - 13

If you are aged 11 - 18 there are activities happening for you each week, including social activities for you to invite your friends and places to help get into God.

### Sundays

#### Upper Room

Each Sunday, the young people meet with the rest of the community of faith, to worship God. This is followed by a Bible focused activity as a group in 'the upper room' for around an hour. There is a variety of activities on different weeks including discussions, craft, music and visits to a local milkshake bar.

#### Opportunities to serve

As part of the church family young people are encouraged to use their own time and energy, to help out in any area of church activity. Young people currently serve in worship teams, PA, AV and kids ministry.

### Housegroups

*(Run term time only)*

The house groups have elements of all Leeds Vineyard Core Priorities. Young people engage in a range of worship activities and are encouraged to encounter Jesus for themselves. They are also supported in developing a close relationship with Jesus, their families and their peers. Young people are given many opportunities to read the Bible, engage with it and respond to it. This is supported through opportunities to pray for one another, their friends, communities and world issues. Each house group is intentional about leading the young people as disciples and giving them the tools they need to live out their faith in their own situations. The young people are encouraged to share their faith and to find ways they can serve the church and support compassion ministries or charities that they resonate with.

#### Podhusk (Boys aged 11-13)

Every other Sunday 7 - 8.30pm  
@ John & Anne Buchan's House

#### GHG (Girls aged 11- 13)

Every Sunday 7 - 8.30pm  
@ Aimee & Jonathan Jacob's house

#### Deeper (Mixed 14-18)

Every Sunday 7.30 - 9.30pm  
@ Liz & Ian Harden's house

### Mentoring

We recognise that young people thrive best when they have someone who can act as a sounding board and a good role model in following Jesus. Therefore, some of our young people have opted to have a specific mentor, with whom they can discuss their lives, challenges, issues, hopes, aspirations and dreams, on a one to one basis. This is arranged through Liz & Ian who will dialogue with the young person and their parents so that the best mentor for that young person can be arranged.

For all young people, we are providing group mentoring through two groups: **Boundless** (11-18yr boys) and **Stronger** (11-18yr girls). The aim of these groups is to work on team building and discipleship in the context of achieving something together. The groups are made up of youth and a number of adults who are looking to actively build young people's self esteem, confidence, faith in Jesus and relationship with one another. These activities can include adventure activities, community projects, challenges and outings. On occasions Boundless and Stronger will collaborate on a project.

### Events

#### Shift

A free youth event with music, ambience and friendship.

Shift is an event that has been thought out by young people for young people. You can hang out with friends and make new ones with hot drinks, live music, questions to ponder and games to play.

We meet once a term at:  
Costa Coffee, Headingley, LS6 2UE  
7.30 - 9.15pm

#### Meet Ups

Meet ups are one-off events which are great to invite your friends to. Surfing trips, murder mystery parties, karaoke, bowling, pancakes. You name it!

#### On Tour

Annual trips away from home, to large organised youth-orientated events. These are planned ages in advance to give families the time to plan and save up for tickets.

The two main events are:

#### Dreaming The Impossible

Lincolnshire Showground  
(usually in April/May time)

#### Soul Survivor

Week A - Staffordshire Showground  
July
